LETHA FALLS

We, the Class of '58, dedicate this book to you . . .
 Oh so youthful in our eyes
 And yet so very wise . . .
 You guided us through our high school years
 Understanding our joys and tears.

Projectionist Club

The Projectionist Club which is advised by Mr. Sinks has a very strict motto: No girls allowed! The job of this all boys' club is to show newsreels and educational films to all the different classes.

To be one of "Sink's Technicians" you must be able to maintain good grades and learn how to operate a projector. A list is made out each day telling which film each projectionist is to show. The boys show the films during their study halls. For every movie shown they receive one point. One hundred points are required for a letter.

Other activities of the club include an annual picnic with the Phi-Chem Club.

Dramatics Class

The Dramatics Class has acquired several new things this year including: a davenport for a stage prop, new backdrop curtains for the purpose of better acoustics, and a new director, Mr. David Fisher, who formerly headed the Civic Theater and who teaches special speech classes.

Mr. Fisher has kept his class, consisting of all girls except two, busy learning about the theater and expressing themselves. Besides their class assignments which included reports on lighting, costumes, makeup, Shakespeare, and special reports from *Theater Arts Magazine*, the class gave a Christmas program and a play at the end of March. The play, "Ask Me No Questions," was double cast and was given for the student body and at a night performance for the public.

Nature Club

Standing: Barbara Allen, pointkeeper; Judy Motz, social chairman.

Seated: Marcia Griffith, secretary; Gene Kapp, president; Sherry Brackmann, vice-president; Sandra Holycross, treasurer.

Nature is their hobby! Eager to learn more about nature, the members seek to increase their knowledge and enjoyment of the outdoors through participation in the activities throughout the school year.

The Nature Club, under the sponsorship of Mrs. Leonora Bleke, consisted of 37 members this year, who have taken or are taking biology. They held their meetings on Tuesday evenings once a month.

To earn a letter, 225 points are required and an additional 100 points are needed for a pin. These can be acquired through participation in the activities mentioned below.

Among the activities were the Annual Audubon Screen Tours for the purpose of gaining more knowledge about wildlife protection and conservation education. Various slides of interest to members were shown by Jim Golliver on his European trip. These slides were greatly appreciated by the members. He also gave several talks on information and description which were of great interest. Other slides, movies, and interesting talks were also highlights of the club's activities. For their annual project this year, they sold very attractive Christmas ribbon. Also the new planter in the biology department which will be used for plant study was purchased by the club.

The Elmhurst Speech Club is composed of 36 members whose interests range from poetry interpretation to debate. This year the club has traveled approximately 1,372 miles to speech meets at Butler University, Peru, Howe, Ball State, Purdue University and Columbia City. Divisions in which they have participated are: oratorical, dramatic, and humorous declamations; debate, extemporaneous, poetry, and radio announcing. Members of Speech Club have their "Moments to Remember" too such as: The Sputnik Party, the two day trip to Purdue and the successful Semester Blues Record Hop. Speech Club members have also participated in special events; some of these are: a panel discussion on teen-age drivers presented at a PTA meeting at school, a radio program on PTA history broadcast over WOWO and the "Tongue Twisters Contest" which is destined to become an annual affair.

A separate division of the Speech Club is the National Forensic League known as N.F.L. This is a national organization which grants charters to qualifying local chapters. While any student may join Speech Club, he must acquire 25 points from speech meets to become eligible to join N.F.L. It is mainly an honorary organization. Both Speech Club and N.F.L. are sponsored by Mr. Kent E. Kurtz.

Baseball Season

The Trojans finished the baseball season, compiling a record of six wins and two losses. The losses came from Leo and Harlan. Leo won by the scant margin of eleven to ten. Elmhurst finished in a tie for second place with Hoagland in the A.C.A.C. race. The Red and Gray received twenty-two and five tenths points toward the overall total. Being a powerful hitting team, the Trojans were shut out only once during the whole season. Sparkling pitching performances were turned in by Russ Allison, Gus Dinovo, and Don Harz. Allison almost pitched a no hitter against Woodburn. Jim Rekeweg collected the only hit off Russ in the seventh inning. Dinovo also pitched a one hitter against Arcola, giving up a hit in the second inning. Then in the Monroeville game, Don Harz, Russ Allison, and Gus Dinovo combined to pitch a one hitter against them. The Trojans, although losing a few players via graduation, are expected to be tough again next year. The leading hitters are listed on the right.

Rifle Club

In the school year of 1957-58, the Rifle Club under Mr. Reed's direction has accomplished many things. They sold candy again this year and made enough money to buy some new equipment and to help pay some of the expense of the rifle matches. One of the biggest improvements this year is a new addition to the range which has doubled its shooting capacity. There has been an increase in the membership in the last year and it looks as if there will be an ever increasing supply of good marksmen for the team.

The team has had a very good record so far as they have seven wins as compared to two losses. In the state match which was held on March first, they placed third, bested only by Culver Military and New Albany High School. There has been much competition for the first team which consists of five shooters, and the team has shot higher scores this year than anytime in the history of the club. The outlook for next year is very good since there is only one senior on the first team, and it looks as if rifle shooting is becoming a more popular sport each year.

In the BOHI match held March 8 and 9 at Xavier University, Cincinnati, Ohio, Linda Sheddick set a range record of 586 out of a possible 600 in a three position. The team consisting of Sheddick, Turner, Eickhoff and Schmitt won the team match at this meet.

Varsity Season

The Elmhurst Trojans finished their season with 11 wins against 9 losses for a .550 season. The individual scoring record was broken by Gary Crawford, senior center. Gary scored 328 points in 20 games to establish the new record. The previous record was held by Jim Lowe, who scored 302 points. Tom Purkiser, with 249 points, was the only other Trojan that averaged in double figures. He also led in free throw percentage with a .750 mark.
